Career Objective

AIML enthusiast focused on building practical, intelligent solutions through hands-on projects. Passionate about continuous learning and contributing to data-driven innovations with real-world impact.

Education

GMR Institute of Technology | Bachelor of Technology

Rajam, AP | 2022 -Present

- Cumulative GPA: 8.71 (up to 6th semester)

Vasu Junior College | Intermediate (Class XII)

Bobbili, AP|2020-2022

- Cumulative Score: 811/1000

Experience

Community Impact Project – Volunteer Educator

Government School Initiative | [June,2024 to July,2024]

- Led a 4-week on-ground program teaching 100+ school students essential communication skills and foundational knowledge in AI, programming and digital literacy.
- Developed simple and engaging content to help students explore new.

Skills

Technical Skills

- **Programming Languages:** Python, Java.
- **Web Development:** HTML, CSS, JavaScript.
- **Frameworks & Technologies:** Pandas, Numpy, Scikit-Learn, Matplotlib, GitHub
- **Databases:** SQL.
- **Soft Skills:** Problem-Solving, Teamwork, Adaptability, Communication.

Projects

Talk-And-Translate

Tech Stack: Python, Google Gemini AI, gTTs, Streamlit.

- Engineered a real-time multilingual speech-to-speech translation system with 95%+ transcription accuracy, leveraging Google Gemini AI .
- Designed Streamlit-based interface enabling live transcription, translation into 20+ languages, and instant audio playback, improving accessibility for a global user base.

Smart Health Assistant

Tech Stack: HTML, CSS, JavaScript, Streamlit, Python, Machine Learning

- Developed a Streamlit-based web to predict 4 common diseases (Diabetes, Heart, Kidney, Eye) using ML models with 85%+ accuracy.
- Integrated dynamic input forms and disease-specific logic to deliver instant predictions and tailored health precautions for users.

Certificates

- **Python Essentials 1,2** (Cisco Academy | December 2024)
- **SQL Basic** (HackerRank | June 2025)
- **Problem Solving Basic** (HackerRank | July 2025)

Highlights

- Completed 150+ problems in leetcode [link](#)
- 3 ☆ in Problem Solving on **HackerRank** [link](#)
- Awarded NCC ‘C’ Certificate, for successful completion of national cadet training with distinction.
