EDUCATION

B.Tech in Computer Science and Engineering

GMR Institute of Technology, Rajam

CGPA: 7.42/10

Expected 2026

AP, India

EXPERIENCE

Java Full Stack Intern | ByteXL

Dec 2025 - Till Now

- Undergoing hands-on training in full stack development using Java, Spring Boot, HTML, CSS, JavaScript, and MySQL.
- Learning to build and integrate RESTful APIs with frontend user interfaces.
- Practicing database design, SQL queries, and CRUD operations for backend development.
- Working on real time projects to implement end-to-end web application functionality.

PROJECTS

Self-Driving Car Using IoT, Computer Vision and Deep Learning: Python, Raspberry Pi 4, TensorFlow, OpenCV ([Project Link](#))

- Built a low-cost self-driving car prototype using Raspberry Pi 4 and Python.
- Implemented real-time lane detection and obstacle avoidance with OpenCV and sensors.
- Used TensorFlow Lite and Hough Transform for image processing and lane tracking
- Integrated IoT with RPi.GPIO, cameras, and DC motors for navigation.

YouTube Ad-View Prediction Using Machine Learning: Python, Deep Learning, Scikit-learn, Matplotlib, Pandas ([Project Link](#))

- Built a regression model to predict YouTube ad views using engagement metrics and video metadata.
- Trained models like Linear Regression and Random Forest; optimized using MSE and R².
- Documented the project in a Jupyter notebook with EDA, model training, evaluation, and predictions.
- Utilized Python, pandas, scikit-learn, and matplotlib for complete implementation.

SKILLS

Programming Languages Development

Python, C, Java, SQL
HTML, CSS, JavaScript

Frameworks/Libraries

NumPy, Pandas, Tensorflow, Scikit-learn, Matplotlib, Seaborn, Flask

CS Core

DBMS, Operating Systems, Data Structures and Algorithms

Developer Tools

Git/Github, Google Colab, VS Code

ACHIEVEMENTS

- Recognized as **Best Volunteer** by the National Service Scheme (NSS) for dedicated service, active participation, and positive impact in community development activities.
- Honored with a **Good Appreciation Award** by the District Collector of Srikakulam for leading a tri-district blood donation camp that collected over 500 units of blood.

EXTRA-CURRICULAR ACTIVITIES

National Service Scheme | Volunteer | GMRIT

Sept 2023 - Till Now

- Served as an NSS volunteer, actively participating in and contributing to the planning and execution of social awareness programs, community outreach activities, blood donation camps, and cleanliness drives.
