CAREER OBJECTIVE

Detail-oriented and motivated Computer Science graduate with a strong foundation in problem-solving, data handling, and communication skills. Seeking an entry-level opportunity in a growth-oriented organization where I can contribute to both technical and business functions while continuously enhancing my skills.

PROFESSIONAL EXPERIENCE

Computer Lecturer

Sri Harshini Degree & PG College

May 2025 – April 2026 -1 Year

- Delivered lectures on Web Designing, Artificial Intelligence, and Database Management Systems (DBMS) to undergraduate students.
- Simplified technical concepts to ensure effective understanding and engagement among students.
- Developed and presented structured lesson plans to enhance learning outcomes.
- Supported students in improving their practical and theoretical knowledge in computer science subjects.

EDUCATION

B.Tech – Computer Science & Engineering (AI & Data Science)

PACE Institute of Technology & Sciences, Ongole

2020 – 2024 | CGPA: 7.2

SKILLS

Technical Skills:

- Programming: Python, Java (OOP), C
- Web Technologies: HTML5, CSS3, JavaScript
- Databases: MySQL, RDBMS

Core Competencies:

- Problem Solving & Analytical Thinking
- Data Analysis (Basic Level)
- Understanding of Machine Learning Concepts

Professional Skills:

- Communication & Presentation
- Team Collaboration
- Adaptability & Quick Learning
- Time Management

INTERNSHIP EXPERIENCE

IBM Internship Program

- Successfully completed a structured internship program and obtained certification.
- Worked on project-based tasks, enhancing analytical thinking and teamwork skills.
- Gained exposure to real-world applications and professional work environments.

PROJECTS

Diabetes Prediction Using Machine Learning

- Developed a model to analyze healthcare data and predict diabetes risk.
- Applied machine learning concepts to identify patterns and improve prediction outcomes.
- Demonstrated understanding of data-driven decision-making.

Sign Language Recognition Using AI

- Contributed to an AI-based solution aimed at assisting communication for differently-abled individuals.
- Focused on practical usability and real-world application of AI concepts.

CERTIFICATIONS

- Python Springboard Certification – Infosys

KEY STRENGTHS

- Strong willingness to learn and grow
- Ability to work in both technical and non-technical environments
- Good interpersonal and communication skills
- Positive attitude and adaptability

PERSONAL DETAILS

- Date of Birth: 14 February 2002
- Nationality: Indian
- Languages: English, Hindi, Telugu

INTERESTS

- Exploring technologies and industry trends
- Internet research and continuous learning
- Playing cricket

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge.
